

- ☐ **Name:** -Janhavi Sanjay Patil
- ☐ **Roll no:** - 96
- ☐ **Practical no:** - 5
- ☐ **Practical name:** - Application of maintenance of Gmail security.
- ☐ **Performed on:** - 30/07/24

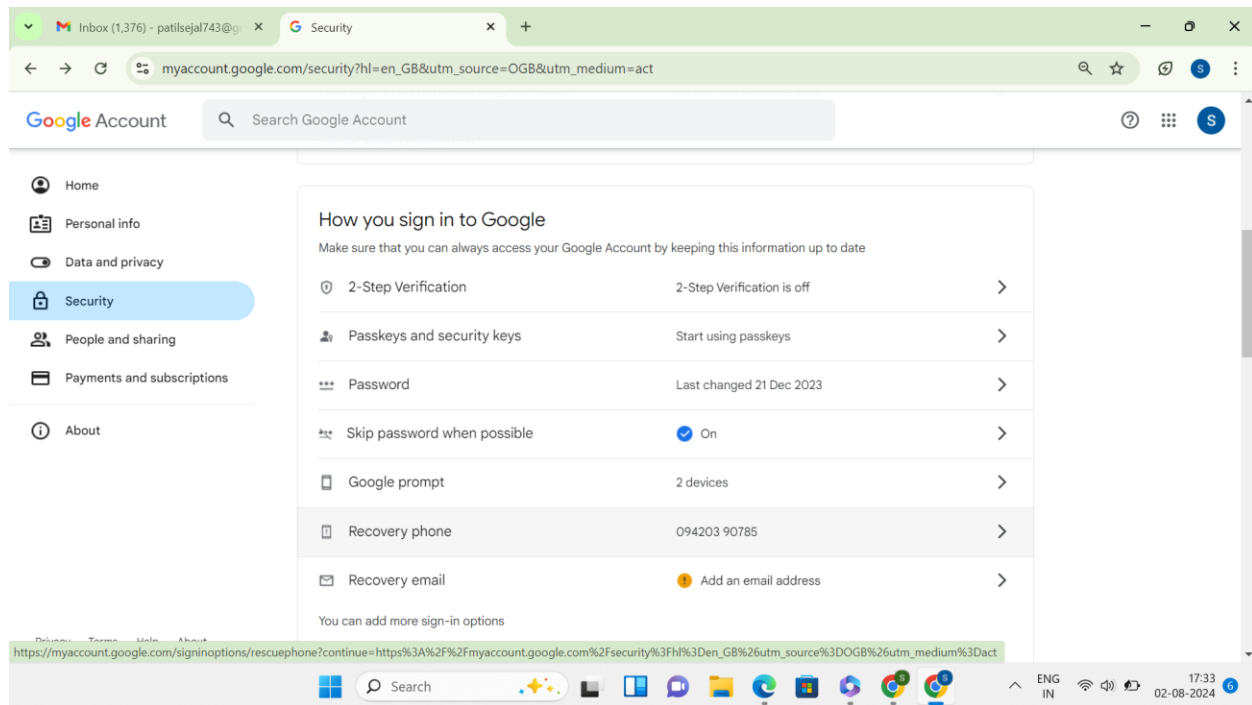

.....

Steps: -

Step1: - Open gmail settings by signing in on desktop or laptop.

Step 2: - Security tab in Gmail has different features such as 2-step verification, passkeys, security keys, recovery and many more new features. This keeps our account secured and safe.

In this screenshot there are different features for securing Gmail.
